SUBJECT: PERMISSION FOR CONTRABAND SEARCH

I give full permission to NBB staff to perform a contraband search of my belongings upon my arrival to the activity. In addition, if I am found to be in possession of any weapons, flame producing devices, drugs (of any type, even aspirin), tobacco, alcohol, pornography, sound systems (including speakers but not personal sound devices such as CD players and MP3 players, which may be used off duty with headphones), portable TVs or DVD players, gaming systems, computers, food, and any other items deemed contraband (at the discretion of NBB command staff), they will be confiscated and returned to me during the activity check-out process.
